

**SPONSORSHIP**

Revised: Sep 15, 2010

The Niagara Thunder Basketball Club is a non-profit association that proudly serves West Niagara (Grimsby, Beamsville, Smithville & surrounding area) and offers developmental, house league and travel programs for boys and girls of all ages. Our main focus is teaching skill development, encouraging team building, nurturing leadership qualities, and providing positive life experiences. We host practices, games and high-profile tournaments in local schools that attract visitors from all over Ontario. Our travel teams also participate in the Ontario Basketball Association's Provincial Championships at the end of the season.

One of our goals is to provide these programs at an affordable level for all members of our community. Each of the families will have contributed towards the participation of their son or daughter. We are also looking for corporate or personal financial support to help offset some of the costs and tournament entry fees that are associated with these types of programs. We would be very grateful for any contribution that you could make to help promote sports and healthy lifestyles for children in our community.
